Today's marketplace demands Greater Efficiency in-the-box.

PAPERplus® GE is a Greater Efficiency in-the-box packing material that saves you money in critical areas: material, freight, protection, labor and versatility. Incorporating a refined version of Storopack's patented crimping technique, PAPERplus® GE produces a resilient paper mattress that provides superior protection using less paper. That means material and freight cost-savings without compromising protection!

As a versatile asset, PAPERplus® GE works well to pack and protect a full range of products from light- to heavy-weight items in all size cartons. In addition PAPERplus® GE mattresses are easier to handle, speeding up packing—even in today's frequently used down-sized cartons.

Four machine styles to choose from!

PAPERplus® GE outperforms competitive paper products in all aspects.

PAPERplus® GE is effective at reducing in-the-box cost in all applications. In fact, using GE single-ply mattresses for void-fill can save up to 35% over a standard high-speed converter. Plus, GE mattresses offer reliable protection for all weights and sizes of products, making it a versatile and efficient option for any packing environment.

The chart below shows three packing situations and the benefits you'll experience using PAPERplus® GE over our competitor's paper products.

PAPERplus® GE produces a superior paper mattress that fills a wide range of needs!

Protect fragile items with cushioning.

Block and brace objects to prevent migration.

Convenient and light-weight for void-fill applications.

Coil or wrap to stabilise and protect heavy objects.

Advantages	Packing Light Objects	Packing Heavy Objects	Packing for Void-Fill
Most Cost-Effective	GE 1-Ply <i>Save 15% when compared to other 1-ply paper pads.</i>	GE 2-Ply <i>Save up to 25% when compared to other 2-ply paper pads.</i>	GE 1-Ply <i>Save 25-35% over void-fill from a high-speed single-ply paper converter.</i>
Easiest to Use	GE 1-Ply	GE 2-Ply or GE 1-Ply	GE 1-Ply
Best Protection	GE 1-Ply	GE 2-Ply	GE 1-Ply
